On circulating petitions for Emancipation.

Office of the Women's Loyal National League,
ROOM No. 20, COOPER INSTITUTE.

New York, May 25th 1865.

Dear Fanny

Yours
58

Although I have not seen you since you were born, still I know you. I am glad to learn that you are worthy of such a one.

I write to ask you to do what you can in circulating the petition in the coming campaign.

I want you to be busy. to show to

any white Black boy
or girls that you can
get to circulate
it through Boston.
We have given a
badge to any boy
or girl who sends
us one hundred
names. & have thus
obtained 12. or so in
N. Y. — If there are
any Black Petitions
left in the Liberator
office, we think the
Country people take
them home some

the commencement of
cricket - during
the summer & of
autumn that we
may have a
mighty & [illegible] for
the next Congress.
My Thoughts about
your eye. Drink
fruits & [illegible] use
pickles for two
or three hours every
day. & outdoes the
world with the greatest
exactness. The first
week I shan in
coming home is

"500 more petitions
mother" We sent
off one hundred
thousand to day.
Illinois is a hundred
fold for the States.
Massachusetts has sent
about 12, or 15 but
one church published
a list in a few days
& then you will see
just how the States
stand. With much
love from your
friend sincerely
Elizabeth Stanton.

P.S. Do not hurry for
home!! I prefer you
